Let's Rally! *Grip the Wheel and Grab the Glory*

Ladies and gentlemen, start your engines! If exhilaration is your forte, you'll love this incredible experiential package. Rally car racers are without a doubt, some of the best racing and stunt car drivers in the world. Rain, sleet, snow, rocks, and trees are no match for their skills. There are no oval, Indy-style race tracks here and no pace cars to get in your way. Just pure, unadulterated fun as you put the pedal to the metal. During this two day, hair raising experience, you'll learn to left-foot break, j-turn, pull a reverse 180 and pendulum turn during your one-on-one instructional. Afterwards, there's an award ceremony for participants.

Love. Fitness. Happiness. *Have Fun Feeling Good*

Somewhere deep inside most all of us, there's still that kid inside, yearning to get out! That special urge we feel that takes us back to summer camp with our best friend, horseback riding, canoeing, doing jumping jacks and eating s'mores...oh, the s'mores! Somehow, exercising was more like a game then, instead of the workout that it is today, and we smiled when we did it. Wouldn't it be nice if you could get that feeling back again and a little of that energy too? Well guess what, now you can!

Together with Crunch Fitness, one of the most innovative names in the fitness industry, brite spokes has the answer to your prayers — a camp experience for adults that will jumpstart your health and fitness regimen. So grab a friend and join them for a creative, purely fun weekend that will jump start your adult body and child-like spirit. Together, you'll run around Connecticut farmland doing fun fitness circuits and all those things like you did when you were a kid, including hiking, horseback riding, drum pounding, canoeing and kayaking. There's also a blowout dance party and partner yoga that will laugh the stress right out of you.

During your two-night stay at the Winvian Resort & Spa, you'll camp out in one of their luxury cottages and your meals will be prepared by resident Chef Chris Eddy. You'll also enjoy a farm-to-table cooking demonstration and wine pairing, a spa treatment, happy hour, and of course, s'mores. It's an active, yet relaxing getaway, designed to clear your body, mind and soul!
